

Saturday, June 27, 2015 – Prophetic Worship Service - Accepting the Father's Love

Service started with Fran sharing about a revelation of seeing the door, and that it is open to us to go into the Father's love. We have continual access to go deeper in the spirit and come closer to Him. The door is open to us now. As we receive the Father's love, we will ascend higher. We have come into a new season, this is a new revelation of the Father's love. As you accept it, you will access your purpose and destiny. Experience His love on another level. As we experience the Father's love, our true identity is established. This is a whole new level of identity! This is the Father's doing, we do not have to work to go there. The Father will take us up. We are entering a new spiritual realm. The Father is marking and identifying His sons and daughters, it is being administrated from His throne.

Paul Hylla testimony, the Lord has changed his life in one month because he opened his heart and received the Father's love. Then we will know how to love others.

Prophetic Words that came forth:

Janis Henderson: If you are on the cusp and haven't entered in yet, it is so simple. All you have to do is open your heart and let Him love you. The Lord is so merciful. He is opening up holes in the ground and He is sending water like we have never seen. He's speaking to us people, and the only thing He wants you to do is open your heart and let Him love you. He just wants to love, it's all He's ever done is love you, and in turn He wants you to read, He wants us to read, He's given us instructions, and they're real and they're true. Our God is not a man that He should lie. He's not a man that He should lie, what's written in the book is not a lie. His heart is crying out because He's merciful and He loves us all. Just believe, trust, and step out of if you're on the cusp, you can enter in too. And it's beautiful, it's a wonderful place to be. And yes, He's calling warriors. Those of us who have already heard Him, and know Him, but it's a heartfelt warrior, a love warrior. It's a warrior where we don't have to know what to do because we have the great master who will point it out, and we're going to be obedient and we're going to know, that's to save the sheep, He's not going to leave one that's His. If you feel this tug, just believe, fast, pray, read, trust, obey, submit. Grow night to His heart, cause His heart is there for you. He loves us, oh how He loves us.

Gayle Smith: Let it be done on earth as it is in heaven. I have set you as Ambassadors, I have set you forth as representatives of Me, and My Kingdom. And you thought you weren't good enough, but it's Me and you are mine, and I am in you and you are in Me, and I have set you forth in this time and in this moment. For when people shall see you, they shall see Heaven, for you shall surely manifest My works, you will heal the sick, you will set the captives free, in fact you will set many captives free, and yes the harvest is before you but I make your way and I make a path, and I put the tools in your hands (I actually saw surgical types of instruments in the spirit, things I have never seen before), and you will accomplish what seems like a great and immense task, you shall accomplish quickly and efficiently, and right on schedule. For I truly am in control, I am head over all, I am God of all, and there are many that have said that I am not real, but they shall know that I am, the I AM. So do not draw back, do not fear, for I Am here. And I will carry you through many things, keep your eyes upon me, and know who you are. You are my precious ones. You are my beloved. I have called you and I have brought you forth and I have

prepared you for this very day and hour. And I put a trumpet to your lips and you shall declare to this world that my Kingdom has come, for it surely comes, for it will come in fullness, it will come in power, and it will come in might and there shall not be a mouth to deny it.

Joe: Delayed obedience is disobedience, it's that simple, delayed obedience is disobedience.

Fran: I hear the Lord saying you never have to leave this place. For I dwell within you, and you dwell within me, I am always with you. What you are feeling right now, you can have throughout your day, you never have to leave this place, for I have given it to you. It is the place of intimacy with Me. For I have called you to meet with Me, I have called you to come to Me, and drink from the fountain that I have prepared for you, for it cannot be exhausted. It is always there for you, do not thirst, do not go without, for I have provided all that you need. My love is reaching out to you, my acceptance, my grace, my mercy, and all that I have given you is yours. You have lost nothing, but you must come to me, for I am calling you, you are mine, nothing has changed. You were mine the moment you became born again and you are mine today so do not delay. Do not delay. Do not leave this place in me, for this place is yours.
