

A WARNING DREAM... THE BLOOD MOON STORMS (Aug 2014)

By Jessica Smith

Pray for massive revival!

“The sun will be turned to darkness and the moon to blood before the coming of the great and dreadful day of the LORD.” ~ Joel 2:31

I FINALLY WOKE UP

I woke up in my dream. I had been sleeping and slumbering while a Great Black Storm had gathered. After I woke up, my Father came to me and rebuked me for sleeping. Then he very urgently warned me of this storm and instructed me to get to the basement for shelter. I believed him, but I fell back to sleep.

IT'S TIME TO GET OUT OF BED!

My Father came back. “WAKE UP!”, he yelled, “The warnings have been going off all night and you didn't even know because you have been ASLEEP! Get up! Get in the basement!”

The “night” of this dream is symbolic of the “Night” of the times we are in NOW. The Scripture says this in Romans 13:11-12: “And do this, knowing the time, that now it is high time to AWAKE OUT OF SLEEP; for now our Salvation is nearer than when we first believed. The NIGHT is far spent, the Day is at hand. Therefore let us cast off the works of darkness and let us put on the armor of Light!” The Church MUST WAKE UP NOW!

I LOOKED AT THE STORM

Because of my Father's faithful and restless warnings, I finally got out of bed. I ran to the window and looked into the sky. He was right. I saw the darkest, most ominous Storm I'd ever seen in my life and it was ready to blow up. I had been asleep and he woke me up. I had been blind and he made me see.

THE BLACK BREWING STORM

The color of the storm was black. This storm was powerful. It was dangerous. Millions of tornadoes would be spawned from this storm. It had taken all night to brew. It was now a thick, black mass of strength, power and energy. The texture of the clouds was incredibly thick, like shaved ice. I knew that this storm was worldwide. It was an ominous terrible storm. This black monster was getting ready to unleash a fury the world has never before known. This black bomb was done brewing... its explosion time was past due.

THE HINDRANCE OF SLUMBER

Although I was awake, out of bed and saw the storm, I couldn't shake the slumber from my eyes. I was so tired from sleeping all night. I was dizzy and confused. I fell back to sleep off and on for short naps

between short moments of grabbing useless things to take to the basement with me. I could not figure out what supplies I needed.

I WENT OUT TO INVESTIGATE THE STORM

My Dad continued to urge me to hurry and just get to the basement. Truly, his pushing and warning did motivate me. It was the reason I fully woke up. However, instead of going to the basement, I actually went outside to get a better look. I was so captivated by the sight of the Storm. Although I knew it was dangerous to venture out underneath the storm, I did anyway. I wanted to investigate it and take photos and video. Everywhere I looked there was some strange supernatural sign from God in the black clouds or bizarre wonder in the storm. I saw many, many signs and shapes in the black clouds. All over the world, there were different signs, wonders and sculptures in the black storm clouds. I began to realize that although this storm was incredibly dangerous, it was a storm from God.

SIGNS, WONDERS AND WARNINGS IN THE CLOUDS

I also saw strange things that may not have been from God. I don't understand much of what I saw in the storm clouds. I saw ominous Cloud-Machines. I don't know what they were, but I knew they were man-made terrors in the sky. These machine clouds were incredibly intricate machines floating in the storm, wrapped with black clouds. They served a diabolical purpose. I did not like them at all. I also saw towers and other strange things... it was endless as far as the eye could see there were signs and wonders in the storm.

NOAH'S ARK!

I had my camera. I was taking photos and videos where I could, when I could. Sometimes my camera wouldn't work. I was with a group of other Christians. We were looking at the black clouds of the storm when suddenly a part of the storm cloud broke away high in the sky and began to drift toward us at a very fast speed. As it passed above us overhead it took on the sculpture-like shape of NOAH'S ARK. The large boat and all the animals inside zoomed very quickly through the sky toward us above our heads! I couldn't believe my eyes. I pointed at it and exclaimed, "LOOK! It's Noah's Ark!!" I tried to take a picture, but my camera wouldn't work, plus the Cloud zoomed by too fast. There was no time to take a picture.

NO ONE BELIEVED NOAH

Noah's Ark is very symbolic. We know in the Old Testament that God judged the whole world by flood and there was only one way of escape from the righteous judgment of God against the wicked and that was inside the ARK that God told Noah to build. Jesus is our Ark. God prepared Noah and gave him instructions on how to be protected from the judgment. In faith, Noah obeyed and was saved. As a faithful Watchman, Noah warned the people who refused to believe and were all killed. We know that that Ark is symbolic of JESUS CHRIST and His Salvation.

Also, in Scripture it says in Matthew 24:37-39, "As it was in the days of Noah, so it will be at the Coming of the Son of Man. For in the days before the flood, people were eating and drinking, marrying and giving in marriage, up to the day Noah entered the Ark; and they knew nothing about what would

happen until the flood came and took them all away. That is how it will be at the coming of the Son of Man.”

WARNING OF THE WATCHMAN AND THE PROPHETS

These are the same kind of days as Noah. God has sent the watchmen and the prophets to warn of the coming storms and judgements. Not many are listening, even in the churches. The storm is now upon us and it is going to blow. Are you ready for it? Do not be like the foolish mockers who drowned in Noah's time. Get under the blood of Jesus Christ now and repent of ALL your sins. Come out of sin and seek the face of Jesus. Worship Him. Know Him. He will make you a mighty warrior. He will make you a humble and lowly lover of Christ. Find your eternal perspective. This life will end, but eternity is forever.

I RAN BACK HOME

The urgency to take shelter from the storm was now overwhelming me. So I turned around and started for home as fast as possible. I was now racing the storm. I knew I lingered too long out underneath it. The storm was about to burst over top of me. There was unbelievable physical pressure in the atmosphere. I could hear nothing at all. It was like I had gone completely deaf. The storm was ready to pop! As I ran I looked to my left into the sky and I saw a BLOOD MOON coming toward the Earth.

BLOOD MOON INCOMING!

It was coming so quickly I didn't know if I'd even make it to my door! The closer it came the LARGER it got! It was quite terrifying. I was afraid of the destruction that Blood Moon would cause by hitting the Earth. I knew that Blood Moon was bringing certain catastrophes and terrifying calamities to Earth. I was trying to get to my Shelter (my house), before the Blood Moon hit the Earth. I felt if I could just make it to my house, I would be okay.

“The sun shall be turned to darkness and the Moon to Blood, before the Day of the LORD comes, the Great and Magnificent Day.” (Acts 2:20)

“When He opened the sixth seal, I looked and behold, there was a great Earthquake and the sun became black as sackcloth, the full moon became like blood, and the stars of the sky fell to the earth....” (Revelations 6:12-14)

THERE WAS AN ANGEL AT MY DOOR

I looked to my front door and there was a tall Angel, about 10 or 11 feet tall clothed in white. He had a great brown clay or maybe bronze very deep Bowl in his right hand and it was filled with the BLOOD OF JESUS. And in His left hand he held a great Hyssop Branch, but it had no leaves. He was plunging the Hyssop Branch deeply into the bowl of the Blood of Jesus and quickly slapping it all over the top, sides and front of the door to my house. Now I had a thick wooden frame around my door on top and on the sides. This was a wooden door frame. The Angel doused & sopped the Blood of Jesus Christ first on the top wooden frame over my door, then the sides, then the door itself. He was NOT neat about it. This

was very quick and very sloppy, but it was supposed to be like that. The blood of Jesus Christ was ALL over my front door and the door frame!

THE ANGEL GAVE INSTRUCTIONS AND WARNINGS

As I quickly approached my door, the Angel turned his head and looked straight at me and told me urgently to "GET IN THE HOUSE AND NOT TO COME BACK OUT!" He said that the only protection from what was coming was in a house that was covered with the Blood of the Lamb (Jesus) like he was doing on my door. He told me that when the second blood moon (phase) comes NOT TO EVEN LOOK OUTSIDE! He told me to CLOSE UP ALL THE WINDOWS IN THE HOUSE AND NOT TO EVEN LOOK OUT! He said that this storm was from God and it was His judgment against the wicked and whoever was not in a house painted with the blood of the Lamb with Hyssop on the door above and the sides and on the door, that they would suffer in the judgment of the wicked, but those who were in the house and followed God's instructions would not suffer the great wrath of God toward the wicked.

OUR PASSOVER LAMB

The Blood of Jesus, our Passover Lamb, will cause the judgement to pass over us. The "House" is actually ourselves: our body/spirit/soul/minds/lives... We must get our house in order. We must cover it with the blood of Jesus. We must cover the door (all access in and out) with the blood of the Lamb. We must seek the face of God and allow Him to convict us of all our sins, including the deep hidden ones. We must confess these sins, then turn away from them. We must pray and fully repent. We must come under the Blood of Jesus and stay there. We must put our eyes on Jesus and NOT the storm or we will sink like Peter did when he looked at the waves of the sea as he walked on the water toward Jesus. Jesus is our Passover Lamb.

WHEN HE SEES THE BLOOD... HE WILL PASSOVER YOU

Of course what the Angel did in my dream is just like Passover in the Old Testament in Egypt. So here's the Scripture from Exodus 12:21-23: "21 Then Moses called all the elders of Israel together and said to them, "Go, pick out a lamb for each of your families, and slaughter the Passover animal.22 Drain the blood into a basin. Then take a bundle of hyssop branches and dip it into the blood that is in the basin. Brush the hyssop across the top and sides of the door frames of your houses. And no one may go out through the door until morning. 23 For the LORD will pass through the land to strike down the Egyptians. But when he sees the blood on the top and sides of the door frame, the LORD will pass over your home. He will not permit his death angel to enter your house and strike you down."

THE BLOOD MOON CAUSED THE BLACK STORM TO BLOW

The Blood Moon struck the Earth and popped the storm. It began to blow as I ran inside the house, barely in time. The Angel let me in and shut the door as everything began to blow. I grabbed my kids and began to PLEAD the BLOOD of JESUS over them and myself and over all who were in our house. I knew the Blood of JESUS was our only protection and that it was vital to plead it over us all. I held onto my kids as the Storm exploded outside. The Earth shook. Our house shook. We felt the shaking and heard

strange sounds, but nothing touched us nor came into our home. Our home was protected. We were okay. It passed over us. We were protected by the Blood of JESUS.

PASSED OVER BECAUSE OF THE BLOOD OF THE LAMB

The first Blood Moon Storm passed over us for one reason: We were in a house which was covered by the Blood of the Lamb. An Angel of God had painted the door & door frames of our house with the Blood of the Lamb, like the Israelite's did for Passover. We had entered the Ark just in time, the way Noah had right before the flood. Our Ark is literally Jesus Christ Himself and we were saved by the covering of His shed blood as the wrath of God against the wicked passed over us.

PREPARE FOR THE SECOND BLOOD MOON STORM

When our house stopped shaking from the first Blood Moon Storm and we were able to stand once again, I immediately ran to shut the blinds like the Angel had warned me to do. There was very little time between both storms. I had been out underneath that last brewing storm investigating it, but the Angel told me that once inside the house which was covered by the Blood of the Lamb, NOT to come back out, and when the next Blood Moon hit, he told me NOT to even LOOK out (Remember Lot's Wife??), but to shut up the blinds to our windows. I understood clearly that this next Blood Moon Storm was going to be worse than the first.

SHUT THE BLINDS AND DO NOT LOOK OUT!

So I obeyed the Angel and began to quickly shut all my blinds in the house. I actually doubled the blinds. Somehow I had two sets of blinds (double protection), and I thought to myself while pulling the blinds that if I had the time I would surely board up all my windows, but I knew there simply was NO time at all. Perhaps, if I had NOT slumbered so long, I may have been more prepared.

YOUR EYES ARE THE WINDOWS TO YOUR SOUL

You become what you behold. Jesus says, "Keep your eyes on Me." God doesn't want us beholding the terrible things that are coming. Instead, we are to behold Him only. If we do not put our eyes on Jesus and keep them there through what is about to hit us, we will NOT make it. The only way to survive is to come under the blood of Jesus and keep your eyes on Jesus. It only took Peter one glance at the stormy waves to make him sink into the sea. He had been walking on the water only while he kept beholding Jesus. As soon as he took his eyes off the LORD and put them on the storm which was raging around him, he sunk. So, the "windows" are actually your eyes & focus. Shutting the blinds is shutting the eyelids... closing your eyes to the storm. Don't let anything in to contaminate your soul, and only focus on JESUS.

INCOMING! SECOND BLOOD MOON STORM HITS!

Of course I didn't dare look out the window! I knew whoever did would surely die. Lot's wife LOOKED at the storm and died. The sound of the Storm was dreadful, and BIZARRE! This next Blood Moon had hit

the Earth so violently! It was horrific! No matter how bad it sounded or how hard the earth shook, we did not look out.

THE VETERAN CHRISTIAN

There were two particular men in my dream, both of them Christians... both of them suffered in the judgement of the Blood Moon Storms. One man was a veteran of the church. He knew his bible. He looked to be in his 60's. All white hair & beard, yet very physically strong and vibrant. A very serious, well-groomed fellow. A more mature Christian than a bottle sucker.

UNREADY BABY CHRISTIAN

The other Man was a NON-believer who gets saved and becomes a New baby Christian. They were about the same age. He wore like an "Indian Jones" hat and did not look so healthy. He was kind of sloppy with long stringy, brownish hair and overweight.

CONFRONTATION BETWEEN THE TWO CHRISTIANS

Before the Blood Moons began to hit, the Unbeliever antagonized the Believer and there was confrontation. They became enemies. Shortly after this, someone led the Unbeliever to Jesus and he was saved. The New Christian tried to reconcile with the Veteran Christian. However the Veteran Christian who had been antagonized by this new convert, was too proud in his bitter heart and would not reconcile, but walked away. Because of this division the baby Christian was not made ready. Both men had to suffer a simulation of the Judgment because of this division. They suffered a redemptive Judgment.... Chastisement rather than utter destruction in Hell.

THE ENCLOSED PORCH

The Second Blood Moon hit. The Veteran Christian made it in a house that had been painted with the Blood of the Lamb. The baby Christian didn't make it into a blood covered house, only the enclosed porch. He didn't prepare in enough time. He had waited too long. You can't just start running for the Blood Covered House when the Storm is already blowing! The problem with the Enclosed Porch was that the door to the HOUSE had been painted with the Blood of Jesus, NOT the door to the Enclosed Porch, but strangely, even that enclosed porch had a certain amount of protection, because it was still a part of the Blood Covered House and there were not windows to see outside into that Storm, and it was very important not to look into the Storm. (Lot's wife) We in the house could see through the Blood Covered Door onto the Enclosed Porch, but that's it. We dared not step out there lest we never get back inside the house.

THE GHASTLY SOUNDS OF THE BLOOD MOON STORM

We hear the horrid sounds of the blood moon storm as it ripped and whipped and lashed in bizarre ways around the house outside, but we could not see it... thank God. We in the house could discern the great darkness and evil of what was out there, but we dared not look through the windows, or even touch the blinds.

THE TORTURE OF THE UNREADY CHRISTIAN

And there was the baby Christian within the shelter of the enclosed front porch thrashing in the anguish of the wrath of God's judgment against the wicked as if he were out in the storm itself, because the Angel's instructions had not been followed. We all watched as this New Christian began to suffer in the most horrific ways right there on the porch, but there was nothing we could do for him. The suffering was horrendous. It was like he was being electrocuted, but could NOT die! It seemed he should have died, but continued to live in the battering torture.

THE VETERAN CHRISTIAN'S REMORSE

As the Mature Christian watched the New Convert suffer great electrocuting anguish, he could no longer bare it. He was utterly beside himself. The New Convert had tried to make amends, but the Veteran Christian refused in bitterness and pride. I saw that because of overwhelming remorse, regret and pity the Mature Christian did the unthinkable... he left the house and stepped onto the Enclosed Porch to rescue the tortured New Convert who was convulsing in agony as if in an ongoing excruciating seizure. The Door to the House slammed shut immediately behind the Veteran Christian. There was no getting back in the house for him once he stepped out. Now he was stuck in the Judgment of the Wicked there on the enclosed porch. We knew that had they been in the actual storm and not on the enclosed porch, it would be a whole other story.

THE TORTURE OF THE VETERAN CHRISTIAN

As soon as the Veteran Christian stepped onto the porch and laid hold of the New Convert he instantly began to suffer not only the same anguish, but WORSE, because his responsibility to the New Convert was to love, forgive and warn him and he failed that and because he did, the New Convert did not make it in the house.

TORTURED TOGETHER IN THE JUDGEMENT

This BLOOD MOON Storm which was blowing outside is what was having this horrible effect on these two men. There was a strange rise in evil outside. We could all feel it. Now both men were being horribly and very painfully electrocuted by the devastation of the Second Blood Moon Storm. Veteran Christian was still grasping the New Convert and they were stuck like that as all us Christians watched helplessly from inside the house. We ran here and there just trying to figure out how to help them, without suffering the same exact thing. We thought for sure they would die. All we could do was pray. It was horrific.

STRANGE MECHANICAL SNAKE

Something strange and very bizarre happened which made their suffering even worse. A very ominous living, yet mechanical snake crept into the Enclosed Porch from the Blood Moon Storm. It had two heads, one on each end of it. It slithered in straight to the two Men. One head bit onto the New Convert,

and the other head bit onto the Veteran Christian, while yet there remained an extension of the Machine Snake that still connected to whatever it was out in that Blood Moon Storm.

UNSIGHTLY TORTURE

Immediately, because of this snake, the men's experience with pain, electrocution, convulsing and anguish increased dramatically. It was a shocking sight. I didn't even pay attention to the New Convert anymore, because the Veteran Christian was getting it so much worse. My devastated pity was more for him now. He was drooling, rolling his eyes back in his head, and gurgling in his throat. It was simply horrible. No words to explain it, really, and we in the house could do nothing physically to help.

THE MERCY OF GOD

The storm passed. At the same time that the Storm was passing, the Snake also withdrew and both Men slumped to the ground as if DEAD, especially the Mature Christian. He got it worse. This is what God showed everyone in the house: God showed us these two men and showed us His great Mercy. In what happened to the Men we found a warning and a testimony of God's mercy.

REDEEMED AND HEALED

The LORD had actually protected these two men the whole time, even though they suffered. They experienced the wrath of God against the wicked because neither had obeyed His instructions, but in the end they were redeemed from it, not being condemned, but only punished. The LORD completely revived them both and it was physically as if it never happened, though now they were both spiritually refined by the chastisement and would always have the memory of it. HAD THEY BEEN OUT IN THE STORM, AND NOT THE ENCLOSED PORCH, THEY WOULD NOT HAVE BEEN REDEEMED, BUT CONDEMNED ETERNALLY.

SIMILAR JUDGEMENT IN THE BIBLE

I encourage all to read Genesis chapter 6 & 19 & Exodus chapter 9. There is great similarities between the destruction of Sodom and Gomorrah, the Judgment against Egypt and the Judgment against the world in Noah's time, yet the End Times Judgment will be worse and there will be things to come that will make men's hearts (Luke 21:26) fail just at the sight of their coming. Eye has not seen nor ear heard of such colossal catastrophes.... This is Scriptural.

STOP DEVOURING ONE ANOTHER!

There is a vicious ongoing arguments in the church. Many are mean and nasty to one another and devour each other over this issue and the end is guilt and sin. It's pretty silly to bring guilt on yourself to prove something you believe to be true about God, then because of the sin of fighting NOT be ready for Him. The bible says that the most important thing is LOVE and the most important FOCUS is HIM. Many of these debaters strike their brothers and sisters in order to prove themselves right and wound their brothers for the sake of their opinions. "If you bite and devour each other, watch out or you will be destroyed by each other." (Galatians 5:15)

THOSE WHO DO NOT BELIEVE WILL SUFFER

Noah tried to warn the people of his time and those who were warned refused to believe the Watchman. They all died in the flood except those who believed, who were actually Noah's family. Lot was warned by the Angel of the destruction of Sodom and Gomorrah. Lot believed the Angel and was saved, and went to warn others. They called him crazy and refused to believe, so they were all destroyed with fire and brimstone in the Judgment of those wicked cities. When Lot and his family were fleeing the fire storm Judgment that was raining down upon the cities, his wife LOOKED back and was utterly destroyed along with the wicked, because she looked back. Moses tried to warn Pharaoh. Pharaoh was destroyed.

BELIEVE AND HAVE FAITH.... THE LORD PROVIDES

Thus, all who refused to have faith and believe God and his watchmen were destroyed. God provided Noah an Ark to survive the Judgment. God provided us JESUS. Jesus is our Ark... enter Him NOW! God provided Lot with Angels to warn of the coming Judgment against the wicked cities. God has provided this world with the Word of God, dreams and visions, etc., and Watchmen who are WARNING. Believe them and run out of sin NOW! God parted the Sea for Moses and made a way of escape where there was no way. Jesus Christ makes a way of Escape for us.

JESUS CHRIST IS THE WAY

Jesus made a way where there was NO way and it is found in what happened on the Cross. Not just the Cross alone, but in what happened upon the Cross. The power of the Cross is in what happened to Jesus on the Cross. Salvation, healing, deliverance cleansing is all found in the shed blood of Jesus Christ.

SALVATION THROUGH JESUS ALONE

He is the "Alpha and the Omega. He is the Beginning and the End. He is the Almighty." (Revelation 1:8)... "For unto us a Child is born, unto us a Son is given, and the government will be on His shoulders. And He will be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace." (Isaiah 9:6)... "She will bear a Son, and you shall call His name JESUS, for He will save His people from their sins." (Matt 1:21)... "for salvation is found in no one else, for there is no other name under heaven given to mankind by which we must be saved." (Acts 4:12) "They overcame the devil by the blood of the Lamb and by the word of their testimony and they did not love their lives unto the death." (Rev. 12:11) "Look, I am coming soon! My reward is with Me, and I will give to each person according to what they have done. I am the Alpha and the Omega, the First and the Last, the Beginning and the End. Blessed are those who wash their robes, that they may have the right to the tree of life and may go through the gates into the city. Outside are the dogs, those who practice magic arts, the sexually immoral, the murderers, the idolaters and everyone who loves and practices lies. I, Jesus, have sent my angel to give you this testimony (The book of Revelations in the Bible. Please read it!) for the churches. I am the Root and the Offspring of David, and the bright Morning Star." ... YES, I AM COMING SOON!" (Rev 22:12-16 & 20)

“YOU WILL SEEK ME AND FIND ME WHEN YOU SEEK ME WITH ALL YOUR HEART” (Jeremiah 29:13)

THE CURRENT EVENTS IN THE WORLD RIGHT NOW

Since the first Blood Moon the world has been rapidly growing darker, more perilous, and increasingly wicked. There are four blood moons, but two in each year, so there are two phases of blood moons. Phase one is the first year. Phase two is the second year.

We have seen great chaos since the first phase. ISIS came into being during this first blood moon storm and the result was and still is hundreds of thousands of slaughtered humans. Just in the past several months all Hell has literally broken out on the Earth worldwide: Christians are being brutally slaughtered by ISIS in Iraq in ways the Nazis didn't even use on Jews. Speaking of JEWS there is a new wave of Anti-Semitism worldwide. Just the existence of non-aggressive-minding-their-own-business Israel is tearing the entire world in two. Persecution against Christians in America, the rise of Homosexuality, the inevitable fall of America, the collapse of the global economy, the coming out of the Illuminati, the brinks of World War III and so on, all happening at such a rapid pace daily that even secular news stations are taking notice and writing headlines like Fox News did on August 13, 2014: “Fox News host Todd Starnes has a message for people of faith: make no mistake -- dark clouds are gathering, and a great storm is approaching.”

We are seeing increased cosmic activity threatening earth. The Earth itself has increased in its own shaking as we continue to be victims of major Earthquakes. Since the first Blood Moon volcanoes have been erupting, sink holes have been opening, holes are forming in Russia, and we hear increased sky quakes and other unexplained phenomena. The God Particle, the CERN (a machine that can collapse universal time and space) the Nephilim, Planet X, Dark Matter.... Nations are now in upheaval and it is surely coming to the USA. News Stations used to beg for news, now they cannot keep up. Wake up before it is too late. Come under the Blood of Jesus and be saved.
